

National Health & Safety Administrator (NHTSA™)

The objective of the NHTSA™ program is to provide formal training for the administrator of a health and safety program, who does not possess a minimum of 3 years construction field experience. The NHTSA™ can provide valuable assistance to employers and their Construction Safety Officer(s) in the administration and implementation of the company's health and safety program. This designation indicates to employers that the participant has attained theoretical knowledge in various health and safety management applications and principles.

NOTE: The National Health and Safety Administrator is a National Designation.

To Apply:

Complete all compulsory and elective course requirements
Complete the attached application form
Include application fee of \$50.00 plus HST
Include signed Code of Ethics

****Application must be received and approved one month prior to the exam date.**

Eligibility

Once your application is received and reviewed- NBCSA will notify you of your eligibility to write the National general knowledge exam.

Designation

Upon successful completion of the NHTSA™ general knowledge exam (passing grade of 75% or better) Your National Health and Safety Administrator certificate will be mailed to you at your home address.

Code of Ethics

National Health and Safety Administrator

The NHSA™ shall:

1. Practice sound judgment.
2. Recognize professional limitations and competencies.
3. Practice the highest standards of honesty and integrity.
4. Represent themselves, their qualifications, and their experience accurately.
5. Promote and uphold the distinction of the safety profession.
6. Avoid conflicts of interest.
7. Protect confidential information and share only when legally obligated.
8. Respect dignity, diversity, human rights, and employment standards.
9. Continue professional growth and development.
10. Support the efforts of other safety practitioners.

I, _____ have read, understand, and will comply with the NHSA™ *Code of Ethics* as written above. I realize that any breach of the *Code of Ethics* may result in a formal review and subsequent suspension or termination of my NHSA™ designation.
